Comments:

- This report does NOT represent the final figures for YTD through June 2022. It represents what was in MUNIS at the time of this report (6.30.2022)
- Most Revenues received in Jan-Feb are for services/expenses from prior year, & are moved back (to 2021). Thus, current year revenues are delayed.

NOTEWORTHY ITEMS, UPDATES AND ACCOMPLISHMENTS

- Commenced Community Health Assessment (CHA) for 2022-2024; including survey to assess community beliefs and perceptions around health problems. To date, over 280 surveys have been completed. Looking to reach at least 500 Tioga County residents (QR code makes it easy).
- Environmental Health inspected 26 temporary facilities, 4 mobile food trucks, and 5 restaurants for the Strawberry Festival; no violations were found. Health Educator Angel Conklin passed out postcards promoting the CHA at the event.
- Launched Project Public Health Ready, an accreditation process for our department regarding our role in emergency preparedness, led by Emergency Preparedness Coordinator Katie Wait.
- Health Educators distributed annual "Fun in the Sun" guide books to all local schools. The guide lists summer camps, activities and summer safety tips.
- Health Educators and Environmental Health Sanitarians collaborated to educate the community about childhood lead poisoning with a press release and live interview.
- Serafini Transportation Corp. was awarded the bid for Transportation Services to Early Intervention and Preschool Special Education Children's Program for another 3-year term.
- Racker will be staying in the Owego location for their 2022-2023 school year to provide Special Education program.
- To help address the provider capacity issue for Early Intervention and Preschool, we now have a therapy room on-site, providers can use with families.
- Environmental Health staff transitioned to Mutli-factor Authentication and RSA Tokens for logging into EH software applications (EHips).
- 2021-22 Dental program summary reports were created to send to Tioga County school districts comparing individual district student data with data of all districts as a whole.
- The Dental Van is back at the Health and Human Services Building for the summer.
- Two new Board of Health members received an orientation, an overview of their new roles given by Lisa McCafferty.
- Jason Davis attended a MUNIS Super User's Training.
- Said goodbye to Laura Schurter and wished her luck in her promotion to the Treasurer's Office.
- All staff completed the County's Defensive Driver's Course!

- Ongoing support/partnership in: Team Tioga, Safe Harbor Committee, Allies in Substance Abuse Prevention (ASAP), Tioga County Immunization Coalition, Anti-Hunger Task Force, Tioga County Local Emergency Planning Committee (LEPC), Child Fatality Review Team, Care Compass Network PAC Executive Council, Tioga County Council of Governments, Board of Health, Rural Economic Partnership (REAP), and External Community Advisory Board MPH Program at Binghamton University, Immunization Action Plan Coalition, and Lead Poisoning Prevention Program (LPPP) Coalition.

Continuing with COVID-19

- Continuing to monitor Covid-19 in the county. Provided Covid-education in the “Fun in the Sun” guide distributed to all K-5th graders.
- [Workbook:NYS-COVID-Tracker](#) and/or [Coronavirus COVID-19\(2019-nCoV_\(arcgis.com\)\)](#) to see updated data points (national and state) about Covid cases, comorbidities, demographics.
- As of June 23, 2022; since March 14, 2020 onset:

New York State	National
Total Known Cases: 5,732,447	Total Known Cases: 88,443,398
Total Known Deaths: 70, 002	Total Known Deaths: 1,039,771
Total Known Recoveries: 5,607,090	Total Known Recoveries: 84,153,379
- Current Numbers To Date; since March 14, 2020 onset:
 - **831** Days Since Public Health EOC activated (3/14/2020)
 - **12,407** Confirmed Cases (Data from NYS CommCare system)
 - **20,869** Quarantine/ Isolation Orders Issued (Data from NYS CommCare system)
 - **4,323** Household Trips/Deliveries
 - **186** Complaints
 - **4,036** Facebook Likes
 - **1,051** Facebook Posts
 - **52** Media Interviews
 - **130** Press Releases

Allocation of Expenses
Year-to-date through June 2022*1,3

*Notes: 1. The "Financial Snapshot" & "Allocation of Expenses" represent figures as of this report date (6/29/2022), and are not the FINAL June 2022 figures.
 2. During 2020, the Legislature required a 10% cut in expenses from all County departments. This was removed from the Expense side of the ledger, but not the offsetting revenue portion, thus inflating the reported "Local Share" of Public Health by nearly \$375K.
 3. COVID Specific funds have been removed from these tables, as they skew the numbers due to their large amounts. Currently over \$2.4 million has been appropriated of Covid funding within Public Health.

Tioga County Legislature approves budget modifications for 2022

by Anne O. Stout
 At the June 14 meeting of the Tioga County Legislature several budget modifications were approved for the 2022 budget.

The Legislature approved fund capital reserves for an emergency radio communication system and

infrastructure. The legislature noted that they recognize the importance of the emergency radio communication systems, and so will fund it with the 2021 surplus of sales tax revenue in the amount of \$6,463,875. A transfer from the General Operating Fund of \$4,300,000 to the Capital Fund

was approved. Legislative Chair Saucrbrey stated they have been working on getting grants for the emergency communication program, but are putting the funds aside now.

The Tioga County Veterans' Agency (TCVSA) has received increased direct State aid to

localities money, an increase from \$10,000 to \$25,000 for 2022. TCVSA has also received new state aid to localities money for the PFC Dwyer Program (\$100,000) from the Tioga County Mental Hygiene Department. The funds will be used to cover the expenses created by changing one part-time Veterans Service Officer position to full time (40 hours), and changing the Director of

Veterans Services position from a 35 hour work week to a 40 hour work week; and changing the remaining part time Veterans Services Officer from a 17 hour work week to a 19.5 hour work week, effective June 18, 2022. Legislators Standing and Mullen complimented the Director of Veterans Services Michael Middaugh "for the fine job he is doing for the Veterans of Tioga County".

A resolution was passed to transfer \$170,000 in funds to help with a Tioga County bridge in need of repair, following to an inspection by NYSDOT. Legislator Standing reported it is the Park Settlement Bridge in Candor, and may possibly be the only wooden bridge left in the state. The Legislature awarded a contract for the repairs to Park Settlement Bridge to Economy Paving Co., Inc, Cortland for \$164,644.46.

The Tioga County Public Health has been awarded additional funds from the state Department of Health for successful participation in the NYSDOH Local Health

Department Performance Incentive Program for \$22,000. The Tioga County Public Health also received two funding awards from Delta Dental of \$25,000, and these funds are specifically for Tioga county's Mobile Dental services.

The Tioga County Department of Social Services appropriated Safe Harbor funding in program expense, and the department has identified a need for an iPad and accessories for the Safe Harbor program, at a cost of \$1,439. Tioga County Department of Social Services has moved high density filing from the services area to accommodate the need for more office space and office furniture for staff moving to the new office space, so a transfer of \$10,000 was approved.

Youth Sports and Education Opportunity Funding has been awarded to the Tioga County Youth Bureau from the Office of Children and Family Services in the amount of \$6,653. Additional funding has been awarded to Tioga County Department of

continued on page 10

Services from the Office of Homeland Security/Federal Temporary and Disability Assistance for the Summer Youth Employment Programs for \$118,459.

A resolution was passed to authorize the sale of county owned properties acquired for delinquent taxes; two in the Village of Waverly, two in the Town of Barton; one in the Village of Candor, four in the Town of Newark Valley, one in the Town of Nichols, six in the Village of Owego, three in the Town of Owego, one in the Town of Richford, three in the Town of Spencer, and four in the Town of Tioga. Legislator Standing

noted, "It is unfortunate that people can't pay their taxes and this needs to be done." Tioga County has budgeted funds for the replacement of the HVAC Controls at the HHS Building and authorized awarding the BASE Bid contract to Postler and Jaekle Corporation, Endicott, NY at a cost not to exceed \$492,420. Serafini Transportation Corp was determined to be the best bidder for transportation services for early intervention and preschool special education children's program Public Health at a cost of \$105 per child for Zone 1 and \$118 per child for Zone 2.

Two resolutions were passed authorizing the legislative chair to sign on NY Owego II LLC payment in lieu of tax agreement - on a project located at 267 Cafferty Hill Road; and to authorize the legislative chair to sign on NY Owego III, LLC payment in lieu of tax agreement on project located at 2635 Day Hollow road.

The NYS Department of

Homeland Security/Federal Emergency Management Agency has issued a grant of \$59,750 to the Tioga County Office of Emergency Services; 30% of the funds will be appropriated to the Sheriff's Office (\$17,925), and 70% to Emergency Management (\$41,825).

Due to Computer Aided Dispatch (CAD) upgrade in the E911 Center, it was reported as necessary to replace the outdated laptop computers in the Sheriff's patrol cars as well as the cell phone modems and antennas. This was approved by the Legislature at a cost not to exceed \$50,000.

A recognition resolution was read and presented by Legislator Dale Weston for Alan Ervay's 20 years of dedicated service to Tioga County. Ervay said, "These past 20 years I have enjoyed working with the employees of Tioga County; they all are nice people." His supervisor spoke of Ervay always going the extra mile, he was a mechanic and CDI driver and would even sub for snow plowing if needed.

The legislature passed a proclamation proclaiming the month of June 2022 as Skin Cancer Awareness Month. According to the NYS Cancer registry, Tioga county averages about 20 cases of melanoma annually.

Skin cancer is the most common cancer in the US and worldwide, affecting 1 in 5 Americans by the age of 70. Melanoma, the third most common form of skin cancer is estimated to kill approximately 7,650 individuals in 2022; and according to NYS Cancer registry, Tioga county averages about 20 cases of melanoma annually.

Tioga County Courier 01/23/22

Guest Editorial: Stay Away from Unfamiliar Animals!

**CONTRIBUTED BY THE
TIOGA COUNTY PUBLIC
HEALTH DEPARTMENT**

Tioga County Public Health has recently seen an increase in domestic animal bites within the county. Animal bites have the potential to spread rabies, a

fatal but preventable viral disease that can affect both humans and animals. It is important that residents know what to do if they encounter an unfamiliar animal.

If you see an animal you do not know, whether it is domestic or wild, do not

touch it or try to capture it; use caution and try to avoid the animal; if the animal is in your backyard, go inside; for loose or stray dogs, contact the local dog control officer; if domestic and with their owner, ask permission before approaching. If the animal

is openly aggressive (attacking or attempting to attack others), call 9-1-1.

If you are bitten, if the animal is domestic collect as much information on the animal and their owner as possible (i.e., the owner's name and contact information, name of the animal, distinguishable markings, rabies vaccination status). If wild and available for rabies testing, save the animal dou-

ble-bagged on ice or refrigerated until it can be collected. Call Tioga County Public Health for further instruction. Most importantly, seek medical care.

Daniel Scherrer, Public Health sanitarian, reiterates the importance of staying away from unfamiliar animals, stating, "You never know how an animal may react. It may appear to be friendly, but turn aggres-

sive once approached. The best thing to do for your safety, and the safety of the animal, is to stay away and contact the appropriate authorities."

Tioga County Public Health would also like to remind residents to keep their pets up-to-date on their rabies vaccinations. For the 2022 Rabies Vaccination Clinic schedule, visit ph.tiogacountyny.gov. *Owego, Pennsylvania 6/12/22*

Guest column: June is Men's Health month

Submitted by the Tioga County Health Department

Men's Health Month is observed each June to increase awareness of the health concerns that men commonly face. It's important to encourage the men in our lives to take steps to improve their health and wellness across all domains – physical, emotional, and mental. The top three causes of death for men are heart disease, cancer, and COVID-19, respectively.

In the United States 51.9% of men aged 20 and older have high blood pressure and/or are taking medication to control high blood pressure.

Additionally, 40.5% of men aged 20 and older are obese.

In Tioga County, 29.8% of adults have high blood pressure and 27.5% of adults are obese.

The importance of Men's Health Month is documented in this data since obesity is a risk factor for all three of the top causes of death for men, and high blood pressure is a risk factor for heart disease.

It's never too late to start adopting healthy habits, such as:

- Quitting smoking
- Reducing or eliminating alcohol consumption
- Getting regular exercise
- Eating a variety of fruits, vegetables, whole grains, and lean meats
- Visiting your primary care provider regularly for check-ups, screenings, and other medical care

Men also face roadblocks when it comes to emotional and mental health. Society often teaches men that it is a weakness to discuss or show emotion. Taking care of mental and emotional health might look like:

- Staying connected to friends, family, and the communities you're involved in
- Working on your self-talk and mindset
- Learning new coping skills
- Finding meaning in your life, like volunteering, or joining a faith-based community
- Speaking with your doctor or a therapist

Be sure to recognize when

additional help should be sought from a professional.

Discussing mental and emotional health is not a weakness, but rather the greatest form of strength. There are resources and people willing to help.

Prepare Your Pets For Disasters

Make a plan. Build a kit. Stay informed.

Make a Plan

If you have a plan in place for you and your pets, you will likely encounter less difficulty, stress, and worry, when you need to make a decision during an emergency.

Things to Include in Your Plan:

- Know what to do with your pet during an evacuation. Many public shelters and hotels do not allow pets inside. Know a safe place where you can take your pets before disasters and emergencies happen.
- Develop a buddy system. Plan with neighbors, friends, or relatives to make sure that someone is available to care for - or evacuate - your pets if you are unable to do so.
- Have copies of your pet's vaccination record, and make sure your pet is microchipped. Keep your address and phone number up-to-date and include an emergency contact outside of your immediate area.
- Keep contact information for your local emergency management office or animal control office and shelters on hand in case you become separated from your pet.

Build a Kit for Your Pet

Review your kit regularly to ensure the contents are fresh.

Things to Include in Your Kit:

- Food & Water - keep several days' supply of both
 - Keep food in an airtight, waterproof container, and have a water bowl to use
- Medicine - keep an extra supply of the medicine your pet takes on a regular basis in a waterproof container
- First Aid Kit - include items appropriate for your pet's emergency medical needs
- Backup Collar with ID Tag and Harness or Leash - have copies of your pet's registration information in a waterproof container and available electronically
- Traveling Bag, Crate, or Sturdy Carrier - for each pet
- Grooming Items - pet shampoo and other items, in case your pet needs some cleaning up
- A Picture of You & Your Pet Together - if you become separated from your pet, a picture will help you document ownership, and allow others to assist you in identifying your pet
- Sanitation Needs - include pet litter and litter box, trash bags, and other items to provide for your pet's sanitation needs
- Familiar Items - put favorite toys, treats, or bedding in your kit to reduce stress for your pets

Stay Informed

Stay informed of current conditions and know how you will receive emergency alerts and warnings. Always bring pets indoors at the first sign or warning of a storm.

Learn more at [ready.gov/pets](https://www.ready.gov/pets)

UNFAMILIAR ANIMAL?

WHETHER IT IS WILD OR A PET...

DO NOT TOUCH IT

USE CAUTION, GO INSIDE

CALL THE LOCAL DOG CONTROL OFFICER

If the animal is openly aggressive (attacking others), call 911

IF YOU GET BIT...

Collect as much information on the animal as possible (Owner name and address, pet name, markings, rabies vaccination status)

Seek medical care

SUN SAFETY

SUNSCREEN

Use sunscreen with at least 15 SPF. Cover your entire body and reapply every 2 hours or after getting wet.

Note: Sunscreen should not be used on children under the age of 6 months. Instead, keep them out of direct sunlight.

SHADE

Spend as much time in shaded areas as possible.

Examples: Trees, pavilions, tents, or umbrellas

CLOTHING

Dress in long-sleeved clothing, sunglasses, and wide-brimmed hats.

TIME

Limit time outside between 10am - 4pm.

This is when the sun's rays are strongest! Head inside if you notice your skin turning red or pink.

Morning Times 6/4/22

Beat the Heat!

WHAT THE HEALTH!?

SUN SAFETY

SUNSCREEN

Use sunscreen with at least 15 SPF. Cover your entire body and reapply every 2 hours or after getting wet.

Note: Sunscreen should not be used on children under the age of 6 months. Instead, keep them out of direct sunlight.

SHADE

Spend as much time in shaded areas as possible.

Examples: Trees, pavilions, tents, or umbrellas

CLOTHING

Dress in long-sleeved clothing, sunglasses, and wide-brimmed hats.

TIME

Limit time outside between 10am - 4pm.

This is when the sun's rays are strongest! Head inside if you notice your skin turning red or pink.

Little Tick. Tiny Bite. BIG PROBLEM!

Protect Yourself

Check Your Whole Body

Remove Ticks

UNFAMILIAR ANIMAL?

WHETHER IT IS
WILD OR A PET

DO NOT TOUCH IT

USE CAUTION, GO INSIDE
CALL THE LOCAL DOG CONTROL OFFICER

If the animal is openly aggressive (attacking others),
CALL 911

IF YOU GET BIT...

Collect as much information on the animal as possible (Owner name and address, pet name, markings, rabies vaccination status) and seek medical care!

June is the
NATIONAL MONTH OF...

Dairy

- Adults should consume 3 servings of dairy products per day
- Children should consume 2-2.5 servings of dairy products per day, depending on their age
- A serving is approximately 1 cup; review the nutrition label for accurate amounts
- **Some dairy options include: Milk, yogurt, cheese, and non-dairy alternatives**

Fresh Fruits & Vegetables

- Adults should consume at least 1½ - 2 cups of fruit and 2 - 3 cups of vegetables per day
- Children should consume 1 - 2 cups of fruit and 1 - 3 cups of vegetables
- **Some fruit and vegetable options include: Apples, oranges, kiwi, peppers, carrots, broccoli, and more**

Iced Tea

- Choose unsweetened tea instead of sweetened
- Each 8-ounce serving of brewed black iced tea offers 520 micrograms of manganese, which is important for wound healing
- **Use fresh fruits to sweeten, instead of added sugars**

COVID-19 SAFETY FOR SPRING & SUMMER

- 1. MAKE SURE YOU ARE UP TO DATE ON YOUR VACCINE AND BOOSTER (CHECK WITH YOUR PRIMARY CARE PROVIDER)** 
- 2. PLAY SPORTS (BASKETBALL, SOCCER, BASEBALL, ETC.) AND/OR DO ACTIVITIES OUTSIDE FOR BETTER VENTILATION AND SPACE**   
- 3. SOCIAL DISTANCE YOURSELF FROM OTHERS TO THE BEST OF YOUR ABILITY** 
- 4. GO ON A WALK, JOG, OR RUN** 
- 5. EXERCISE OUTSIDE** 
- 6. EXPLORE NATURE** 
- 7. ENJOY THE WARM WEATHER AND FRESH AIR WHILE ALSO STAYING HYDRATED**  
- 8. CONTINUE TO REGULARLY WASH YOUR HANDS AND USE HAND SANITIZER**  

***PUTTING YOURSELF AND OTHERS AROUND YOU IN THE BEST POSITION TO STAY HEALTHY IS WHAT'S IMPORTANT**

Tioga County Public Health

LGBTQ+ MENTAL HEALTH AWARENESS

• Suicide attempts are 3 times more common among bisexual individuals than straight individuals

• 71% of LGBT youth reported discrimination due to either their sexual orientation or gender identity

• LGBT mental health statistics revealed that 40% of LGBT youth have considered suicide in the previous year

• LGBTQ+ individuals have a great risk of substance use disorder than straight individuals

• Half of LGBTQ+ people had experienced depression and three in five had experienced anxiety

• Those in the LGBT community are 2.5 times more likely to experience depression, anxiety, and substance abuse compared to heterosexuals

• LGBTQ+ youth are twice as likely to be bullied compared to heterosexual youth

• 68% of LGBTQ+ youth reported that they wanted counseling from a mental health professional, but were unable to receive it in the past 12 months due to lack of health insurance and resistance from employers and family members

PESTS BUGGING YOU?

Common Pests

- Ants
- Bed Bugs
- Cockroaches
- Fleas
- Flies
- Mice
- Mosquitos

- Ceilings, walls, closets
- Crannies behind appliances
- Piles of paper, paper products
- Garage
- Missing baseboards
- Piles of wood, leaves
- Sinks, drains, exposed pipes
- Trash cans
- Basements, attics, crawl spaces

Seal & close off cracks and holes to eliminate outside entry and hiding spots.

Store items (especially food) in safe, enclosed containers.

Reduce clutter and places where pests can hide.

Perform routine cleaning and surveying from the roof to the basement floor.

Pest Prevention

Caulk cabinets & baseboards, use steel wool to fill gaps around pipes, and cover holes with wire mesh.

Remove water, food, and shelter sources.

Dispose of garbage regularly with a tightly closed lid.

survey may enter to win a
\$50 gas gift card!

Dental Program Summary: Candor Central School District

Let's do the numbers...

	K-12	Total Tioga Co. Schools
Students participating 2021/22	70	647
Students participating 2019/20	NA	588
Dental Screenings	70	606
% Low Cavity Risk (Children)	5%	15%
% Moderate Cavity Risk	68%	53%
% High Cavity Risk	27%	32%
Dental Cleanings	70	573
Fluoride Treatments	70	583
Sealants	90	708
Restorations (Fillings)	19	323
Extractions	2	31

DID YOU KNOW...?

- Tooth decay is the most common childhood disease.
- Tooth decay is 5X more common than asthma.
- 3 out of 5 children are affected by tooth decay.
- Over 34 million school hours are missed annually in the United States because of tooth decay.
- Tooth decay is almost entirely preventable.

Program Update

The end of the 2021/22 school year marks our 18th year of providing dental services to the children of Tioga County. It was our first full year with the new dental unit and we were able to visit all 6 school districts.

The dental van will be operating at the Health and Human Services building in Owego for the summer and we look forward to another great school year in 2022/23.

School Year 2021-2022

SUMMER 2022

FUN IN THE SUN!

A Guide to:
Activities, Camps, Meal Sites,
Community Events,
AND MORE!

June 2022

HAVE A COVID SAFE SUMMER!

Spend time outside where there is more space and better ventilation!
Ex: play sports, have a picnic.

Exercise outside by going on a walk, jog, run, or just stretch.

Spend time in nature! Try hiking, mountain biking, or kayaking.

When in crowded indoor areas, distance yourself from others as much as possible. Wear a mask if you are high-risk for severe infection from COVID-19.

Get your COVID-19 shots and boosters, when eligible. Regularly wash your hands.

STAY UP-TO-DATE ON VACCINES!

Did you know?

To attend school, students must be up-to-date on all routine vaccinations, unless they have a documented medical exemption. Students behind on vaccines are required by New York State Public Health Law to be excluded from school until they are caught up.

CDC Immunization Schedule Birth-18yrs:

Use the summer months to make sure your child is up-to-date on vaccinations. Check with their primary care provider!

Summer Safety!

Wear a helmet, bright colored clothing, and other protective gear when riding anything with wheels!

Always swim with a buddy! Stay in areas supervised by lifeguards.

Drink lots of water & keep pets hydrated too!

NEVER leave children or pets alone in parked cars, even if the window is open. The temperature inside can be deadly!

Always use at least 15 SPF sunscreen when going outside.

Stay in shaded areas.

Wear hats, sunglasses, and long-sleeved clothing.

Always use bug spray! Mosquito and tick bites can transmit disease.

Check yourself and your pets for ticks.

Stay on trails and avoid areas with leaf litter or tall grass.

Day Camps

Camp Ahwaga

Educational and recreational day camp for children and teens with disabilities. Must be 4-21 years of age. For Tioga County residents or those that attend a Tioga County school district.

607-761-4353

Beat the Heat!

Follow these tips to stay cool this summer!

Take frequent breaks from physical activity

Avoid high-energy activities during midday heat

Stay hydrated by drinking water before you get thirsty

Wear loose, light-colored clothing

Libraries & Cooling Centers

Libraries with stars next to them also serve as cooling centers. Cooling Centers provide air conditioning for community members on hot days!

REFERRED TO: HEALTH & HUMAN SERVICES COMMITTEE
FINANCE COMMITTEE

RESOLUTION NO. -22 AMEND BUDGET & APPROPRIATE FUNDS
PUBLIC HEALTH

WHEREAS: Tioga County Public Health has been awarded additional funding from NYSDOH; and

WHEREAS: The funding is specifically designated for Public Health efforts toward COVID-19 in Tioga County; and

WHEREAS: The budget accounts will utilize Munis project codes for county-wide reporting of COVID-19 expenses and revenues; and

WHEREAS: Funds may require future transfers to more appropriate budget lines based upon modifications and approvals from NYS & CDC; and

WHEREAS: Amending of Budget and Appropriation of Funds requires Legislative approval; therefore be it

RESOLVED: That the Legislature authorizes the Budget Officer to make necessary account transfers as required for these funds, per future modifications approvals from NYS; and be it further

RESOLVED: That funding be appropriated as follows:

From: A4011 434011-COV19 Public Health: State Aid/COVID19 \$326,535

To: A4011 540487-COV19 Public Health: Supplies/COVID19
\$326,535

And be it further

RESOLVED: That available funds on 12/31/22 of the original \$326,535 will be carried forward into the New Year.

**COUNTY OF TIOGA
EXECUTIVE PROCLAMATION**

WHEREAS: Public Health reminds you that as the weather gets warmer, increased outdoor activities begin taking place where ticks can be found, such as tall grass, bushes, and leaf piles; and

WHEREAS: The Black-legged tick, also known as a Deer tick, carries the bacteria *Borrelia Burgdorferi* that causes Lyme disease; and

WHEREAS: Lyme disease can be spread to humans and other mammals as ticks feed off their blood, with an increased risk of the bacteria being spread after feeding for 48 hours; and

WHEREAS: In 2021, tick-borne illnesses were the third highest reported communicable diseases in Tioga County, behind COVID-19 and sexually transmitted diseases; and

WHEREAS: Preventing Lyme disease can be done by wearing insect repellent, covering up when outdoors, showering soon after coming inside, and completing daily tick checks on yourself and your pets; and

WHEREAS: By knowing the signs of Lyme disease, treatment can be started early to avoid long-term complications of Lyme disease; and

WHEREAS: The residents of Tioga County can recognize the threat that Lyme disease has to them and their family; therefore

The TIOGA COUNTY LEGISLATURE, County of Tioga, does hereby proclaim the month of July as:

LYME DISEASE AWARENESS MONTH

and urges all residents to take steps to protect themselves, their families, and pets from Lyme disease and to take immediate action if Lyme disease is suspected.

Dated: July 12, 2022

MARTHA SAUERBREY, CHAIR
TIOGA COUNTY LEGISLATURE
